

Buffini & Company presents

Rick DeLuca

Working by Referral

Want a steady stream of referred leads?

Then don't miss your chance to learn how to work 100% by referral.

Brian Buffini's powerful Referral Systems have been driving success for real estate and service professionals nationwide for years. Now, industry veteran Rick DeLuca presents a three-hour workshop on how to grow your business by working *smarter*, not *harder*, and with clients you enjoy.

You'll learn how to:

- Generate referrals in both up and down markets
- Discover the fortune in your database and how to make it yours
- Utilize one efficient system that will transform your business

As an agent, DeLuca had a record 292 transactions in one year alone. Later, as a broker, his agents produced five times the national average. If you want to learn how you too can work by referral and live the good life, register today for the Referral Workshop in Fort Lauderdale, FL.
